

The Most Reverend John W. Flesey, STD
Auxiliary Bishop of Newark

January 29, 2016

My fellow Pastors:

During the last twelve years, as Pastor of Most Blessed Sacrament Church in Franklin Lakes, it has been my privilege to welcome Kathy DiFiore, founder and director of Several Sources Shelters, to make a presentation on behalf of this great cause. Kathy and her associates have received an overwhelmingly positive response from our parishioners who support and admire this great work.

Kathy's goal from the beginning has been to aid unborn babies and their mothers on the journey to new life. To this end, Several Sources provides shelters which support women in need and their babies. It was my privilege last year to bless their special sonogram van called *Gift of Hope*.

As we begin the celebration of the Year of Mercy, we are challenged by Pope Francis to extend the grace and blessings of mercy to all those in need. By supporting Several Sources, we are helping to extend the compassion of Christ to the most vulnerable members of our society.

Please extend the warmest of welcomes to Several Sources by inviting them to visit your parish on Sunday and to speak to your parishioners. This will offer the members of the Body of Christ the opportunity to participate in this most important outreach.

Yours in Christ,

+ John W. Flesey
