

PRAYER TO OUR LADY WHO LISTENS QUICKLY

Glorious and Blessed Virgin Mary, Mother of mercy, hasten to my aid. With confident hope I ask you to bring my prayer Intentions before your Divine Son.

Mindful of your maternal compassion, I entrust my petitions to your gracious intercession, especially the requests I now place before you. *(Here mention your intentions.)*

As the Mother of our Savior, you nurtured, protected and lovingly cared for Jesus. As our spiritual mother, you listen quickly to our pleas and intercede for your children in faith.

Therefore I am encouraged to bring my needs to you in prayer and ask that you hear me and quickly come to my assistance.

In seeking these favors of Almighty God, I sincerely wish to imitate your holy example, and I humbly bow before the Divine Will, accepting in faith all that God chooses for me.
Amen.
