Dear «Primary_Salutation»,

Thank you and God bless you for your kind and generous donation of \$xxx. You are an answer to many of our mothers' prayers. You are also a Heaven sent lifesaver to our mothers and their precious innocent babies.

The work can be difficult at times as our mothers try to balance motherhood with education and learning about God and His Holy Word and so many other new responsibilities.

Many of our Several Sources mothers have never had the opportunity to hear the Holy Scripture stories that you and I have come to know as a child. Just last Sunday we had a wonderful Bible study. I mentioned how much God loves each and every one of our mothers and their babies. I explained how He patiently waits to hear their voices in prayer to Him.

I had to take a short break to answer a question of one of the housemothers and when I returned to the Bible Study, one of the mothers was sobbing and weeping so sadly. When I tried to comfort her, she said, "No, no. It's OK. I have wanted to learn something about God for so long but no one could tell me. Now, I know that there's a lot to learn but now I know He exists and He loves me.

Through your generosity, God's love has again been put into action. Thank you for helping Our Dear Lord to inspire our mothers to choose life for their innocent preborn lambs. Please know that you are always in the thoughts and prayers of your entire Several Sources family members.

Your Sister in Christ Jesus,

Kathy DiFiore, Founder

P.S. Enclosed is a letter from just one of our mothers, whose son Preston might not be alive today without help from Several Sources. Also enclosed is a photo of Preston, celebrating his first birthday breakfast with some cereal (in his hair!) and a smile.
