Dear Kathy,

I have nothing but admiration for your magnificent efforts in helping young, some very young, mothers bring the babies in their wombs to birth, and then providing them and their babies with aftercare. As the President indicated, the pictures of God's little ones tell the story.

Words are inadequate to praise you and your volunteers. You can be certain that Our Lord loves you very, very much.

Faithfully in Christ,

John Cardinal O'Connor
Archbishop of New York
