Dear Kathy,

Thank you very much for the letter and the pictures you have enclosed with.

I thank God for your zeal for the lives of the unborn and your love for them are indeed manifest in all that you have been doing to awaken and create awareness of the sanctity and preciousness of the life of the pre-born.

They are precious to God for they too have been created in His likeness - to love and to be loved. Let us continue to work for peace in the world - the true peace that comes from loving and caring and from respecting the rights of every human being - all for the glory of God.

Keep the joy of loving God ever burning in your heart as your strength and share this joy with all you meet.

*God bless you
