A PRAYER TO THE LAMB OF GOD

Lamb of God, I worship You for all You are and Thank You for all that You have done. Only You could appease the heart of the Father to bring loving reconciliation and eternal hope to the human race. The curse of sin was lifted when You became the Sacrificial Lamb. Thank You for Your complete obedience and unending compassion.
Amen.

Several Sources knows that Jesus holds our dear babies in His hands close to His Heart. We have a large painting of this picture of Jesus holding the Lamb that hangs in the room where we conduct our Bible Studies.

Dear Friend, we ask all who read this card to share its contents with others – in particular young people – to help educate them in our work and mission of the Several Sources Shelters.
