Dear «Primary_Salutation»,

Every day all the mothers, the housemothers, and everyone here at the Several Sources Shelters, most especially me, pray for you and your dear family. Thank you for your kind and heartfelt gift of \$XXX.

"Jesus said, 'Allow little children, and forbid them not, to come unto Me: for of such is the kingdom of heaven.' "(Matthew 19:14).

You, our dear Several Sources Shelters supporters are bringing to life these words in 2015 as you continue to help our shelter doors to remain open and also "Our Gift of Hope" Sonogram Center to be able to operate. All this baby saving work is on the front lines of our mission to save as many innocent preborn babies as we possibly can. Each day is a struggle, but by your prayers and continued most generous support we are able to say, "Come and see your preborn baby. If you need a place to stay we have wonderful benefactors who will support your decision to choose life for your dear sweet preborn baby".

You would be amazed how many times we are asked the question by a pregnant women, **"Why would strangers help me when my very own family will not?"**

Because of your ever constant support we are able to say, "God wants you to have your baby and His Most Holy Spirit is always inspiring good and generous people to help you choose life for your preborn child.

How I wish you could see the looks of wonder and peace that comes over these pregnant women when we tell them about you and your dear family. God truly uses your love and your compassionate hearts during this most critical time in these mothers lives to help them choose life.

May Our Dear Lord, who has called you to continuously support our humble efforts to help His innocent preborn and their mothers bless you and all your family members for helping us to save His innocent preborn.

Your Sister in Christ Jesus,

Kathy DiFiore, Founder
Several Sources Shelters

P.S. Hope you enjoy the special letter from Yadel about how truly difficult choosing life for her son, Daniel (3/10/15), became. Because of you, she made the best decision ever and her little one is alive today.
