Dear «Primary_Salutation»,

God bless you and your dear family for your generous and kind donation of \$xxx. Through your help we have been able to save many babies' lives. Because of you and your compassionate support, young pregnant women are receiving the love, guidance and services they need to choose life for their precious, innocent preborn children.

How I wish you could be a part of our daily lives here at the shelters. The joy and the love are just so wonderful and God-filled. You, my dear friends - are the cornerstone of this God centered work. For without your help, our shelters, Our Gift of Hope Sonogram Center, our 24 hotline and Internet counseling, and so many more programs to support our needy pregnant women and young mothers would not exist.

Bible Study is a critical ingredient to the Several Sources Shelters program. We believe that our responsibility is to help young pregnant women who choose life for their babies prepare for how to raise their children in this world as they learn about God and His Holy Word. We do this by our examples, our Bible study lessons, and our house rules that reflect Godly values. Many of our young mothers have a minimum of knowledge about Holy Scriptures, the need for daily prayer and how God's Holy Spirit is available to us every hour of the day.

Again, thank you for giving us the opportunity to share the Word of God not only directly through our Bible studies but by putting God's Love into Action through helping them to choose life for their preborn babies and teach them about His Holy Word.

God bless you and your family for your kindness and compassion.

Your Sister in Christ Jesus,

Kathy DiFiore, Founder
