

As you read this group of 6 unique prayer cards (from 4 through 6), you will learn how they explain about Our Blessed Mother's Soul. We are given our immortal soul at the moment of our conception.

SECOND APPARITION OUR LADY WITH THE GLOBE

On Nov. 27, 1830, during the afternoon meditation, St. Catherine saw Our Lady in the Chapel sanctuary, standing upon a globe. The Virgin Mary held a golden ball, which she seemed to offer to God, her eyes raised Heavenward. Her hands were resplendent with rings set with precious stones that threw out brilliant rays of light. Mary said, "The ball which you see represents the whole world, especially France, and each person in particular. These rays symbolize the graces I shed upon those who ask for them. The gems from which rays do not fall are the graces for which souls forget to ask."

Dear Friend, we ask all who read these most important prayer cards to share its contents with others – in particular young people – to help educate them in the work and the mission of the Several Sources Shelters.
